PRESIDENT'S MESSAGE

Hi All:

As planned, a club workshop was held on Saturday, July 28. Unfortunately, no one showed up except for the four people who had spent the time and gone to the trouble to transport their lathes to the Lakeview Municipal Center.

It has been a busy couple of weeks. Don Scarborough has accepted the job of webmaster for the club and has already been busy updating it. He suggested including information on websites and social media for those who desire it. We will discuss that more at the meeting on the 18th.

You should all have gotten the flyer and application for the Hilton Demonstration that is to take place on September 8th. We would like as many as possible to commit at the upcoming meeting and for those who cannot make the meeting to mail your application and check to Jim Pruitt as soon as possible so that we can plan for food, etc. Info is in this newsletter in case you missed it.

I spoke with Mr. Hilton today, 8/9/18, and it sounds like he will put on an interesting program. I think we are in good shape for the demo. The only thing we will need to furnish is a lathe. He does not need a large, heavy lathe. He suggested a 16" Jet or similar. We will need someone to volunteer to furnish a lathe at this coming meeting.

See you Saturday.,

DEMO THIS MEETING WILL BE BY :ED BOITEAU
ANY MEMBER WHO WOULD LIKE TO DEMO PLEASE SEE JERRY
REFRESHMENT DUTY
REFRESHMENTS WILL BE PROVIDED BY KATHY MONTGOMERY,
DON SCARBROUGH AND KENNY GARRISON.

Members are reminded to bring their DAV prepared pen blanks to the meeting. James will have more blanks for preparation at the meeting if he can get more pen tubes. We have sent 58 pen sets to the DAV since the last meeting.

Thanks to everyone who is continuing to support this worthwhile cause.
