PRESIDENT'S MESSAGE

Hi All:

It seems early to be thinking about Christmas, but we will have only one more meeting after Saturday until the Holiday. So, on Saturday, we need to get an idea of the kind of Christmas party we want, if any. I think the parties of the last couple of years have been fun and not too labor intensive.

Darcie and I represented the OWT at the "Lakeview Festival" on Sept. 29. We made only a few sales, but I've been assured that we will have a better location next year.

I've spoken with the NAWC (woodcarvers) and they will attend our Show and Sale on Dec. 1. We need commitment for tables.

Jim Pruitt has indicated that he will not be able to hold any position next year. This includes his leadership of the VA Project. I know several of you have shown an interest in the project and I will contact some of you at the meeting to take Jim's place.

We will have several positions to fill next year and we vote on them at the November meeting, so if you are interested in holding an office or know someone who is, please let one of the present officers know so that we will have some names to present to the membership.

See you Saturday.,
Ron

Members are reminded to bring their DAV prepared pen blanks to the meeting. James will have more blanks for preparation at the meeting if he can get more pen tubes. We have sent 32 Secret component kits and whistle key ring blanks and the mini key chain pen kits to the DAV woodturning program since the September meeting.

Pete Drew hand carried some pen turning blanks to the program and picked up some walnut stock for future DAV turnings. Thanks to everyone who is continuing to support this worthwhile cause.

To learn more about our support of the VA wood turning program, see our web site www.ozarkwoodturners.com or James Pruitt.

See James Pruitt (our Treasurer) if you want to contribute to our club's Veterans Support Fund.

James will not be able to be our DAV Coordinator next year. We need to name and train his replacement before Jan 1, 2019.

VICE PRESIDENT'S MESSAGE

From Darcie Didden, V.P. - As we begin gearing up for our 22nd Annual Show & Sale, our first step was our library display at the Donald W. Reynolds Library in Mountain Home. Eight of our members placed turnings in the display case for the month of September, including a poster for the Show & Sale December 1st. At BAXTER COUNTY FAIRGROUNDS

Please consider supporting the Show & Sale if not as a vendor then consider one of the many duties, such as helping place our big signs around the Mountain Home area. You can help by setting up/breaking down tables at the fairgrounds, working the kitchen, the greeting table, doing a demo during the show (we usually have 4 or 5 demos), donating a turning for door prizes and I'm sure there are additional duties I haven't thought of. Everybody needs to participate in this venture for our club to survive. Your participation is needed and definitely appreciated.
